

The slopes beyond the designated boundary of Crystal Mountain are wilderness area. Dangerous conditions exist including steep cliffs which may not be visible from above. Rescue, if possible, may be slow and costly to you. There is no avalanche control. Once you leave the ski area you are responsible for your own safety. Visit the website for detailed safety, boundary and policy info.

SPEED CONTROL ZONES Keep an eye out for our Mountain Safety Team in their bright yellow jackets monitoring speed control zones. For your safety, these zones are in teaching and congested areas. Passes may be revoked for fast skiing or riding in these zones. Avoid skiing through groups, classes and race courses.
